

**AMERISTAR® TRANSPORT™ ALUMINUM CANTILEVER GATE
LIMITED WARRANTY**

TransPort™ Aluminum Cantilever Gate Systems by AMERISTAR® are manufactured from the highest quality materials by skilled craftsmen to meet the highest standards of workmanship in the industry.

Ameristar Fence Products hereby certifies that its cantilever gates are free from defects in material or workmanship and all aluminum cantilever gate components and hardware are guaranteed against such defects for a one (1) year period from the original date of purchase. (Note: Accidental damages, defects resulting from improper installation techniques, and damage from abuse or vandalism are not included herein).

Additionally, on TransPort™ Ornamental Cantilever Gates, aluminum gate components (i.e. top track, bottom rail and pickets) shall be subject to a six stage pretreatment/wash followed by an electrostatic spray application of a “no-mar” TGIC polyester powder coat finish, which provides the protection necessary to withstand adverse environmental conditions. The powder coated surface on all such components is guaranteed to the original owner under normal and proper usage, against cracking, peeling, chipping, blistering or corroding for the lifetime of the gate system. Normal and proper usage does not include physical damage or abrasion to the protective coating.

Should any TransPort™ gate component manufactured by Ameristar Fence Products fail in accordance with any of the above conditions, Ameristar Fence Products warrants to the original purchaser their redemption through replacement or renewal. The decision as to which method of redemption is allowed is solely at the discretion of Ameristar. Notice of failure under the conditions of this warranty shall be sent to Ameristar Fence Products or its authorized representative, in writing, together with proof of purchase and shall specify the nature of the defect and when it was first observed. Should the gate components be improperly assembled or installed, Ameristar Fence Products shall not be responsible for guaranteed performance or appearance of the material. Neither does this guarantee apply when failure or damage is due to improper use or application, abuse or misuse, vandalism or acts of God. Ameristar Fence Products reserves the right to inspect the material to determine validity of the claim.

Upon validation of the claim by Ameristar Fence Products or its authorized representative, redemption by replacement or renewal shall be made by Ameristar Fence Products. Reimbursement for the costs of removal and installation of materials are not included in the guarantee, nor will Ameristar Fence Products provide those services.

The above constitutes the complete warranty by the manufacturer. No other agreement, written or implied, is valid. Ameristar Fence Products does not authorize any other person or agent to make any other express warranties. Ameristar Fence Products neither assumes nor authorizes any other person or agent to assume any other liability in connection with TransPort™ Aluminum Cantilever Gate Systems. Some jurisdictions do not allow limitations on how long an implied warranty lasts, nor do they allow an exclusion or limitation of incidental or consequential damages; therefore, the limitations and exclusions noted herein may not apply.
