Ameristar’s Steel Estate Entry Gates are designed with a timeless elegance and are built to last with welded construction at every intersection. Manufactured to match the popular Montage II, Commercial & Plus product lines, Ameristar’s Steel Estate Entry Gates have a one of a kind compound arch, which provides a seamless transition from ornamental fence to decorative gate.

The Aluminum Estate Entry Gate design is a statement in itself. It adds value and aesthetics to complete an elegant old world look of wrought iron. This unique design is fabricated from heavy aluminum profiles for years of durable worry free operation.

WHY CHOOSE AMERISTAR

KNOWLEDGE & EXPERIENCE
Ameristar was chartered 30 years ago in response to the demand by consumers & specifiers for specialty fence products. Ameristar offers an aesthetically pleasing product that is both high in quality & affordability. This has been achieved by maximizing high-volume productivity, increasing product design strength, and promoting simplistic installation.

PROVEN CAPABILITY
Ameristar’s integrated in-house process & extensive raw material inventory results in much improved productivity and availability compared to the competition. By having a vast finished goods inventory, Ameristar is capable of delivering finished products faster than competitors who sublet the majority of their operations.

INDUSTRY LEADERSHIP
Over the years Ameristar has continually raised the bar across the board in the manufacturing of high quality, innovative fencing products. Our demonstrated commitment to upholding higher values translates into superior products that go far beyond merely meeting minimum industry standards.

Ameristar’s world headquarters, manufacturing & coil processing facilities in Tulsa, Oklahoma, USA.
