**Single gate Arrangement**

1. Post size depends on fence height, weight and wind loads. See MONTAGE™ specifications for post sizing chart.
2. See Ameristar gate table for standard cut to outs. Custom gate openings available for special cut to out/leaf widths.
3. Additional styles of gate hardware are available on request. This could change the Latch & Hinge Clearance.
4. Third rail required for Double Rings.
5. Available in 3" air space and/or Flush Bottom on most heights.

**Double gate Arrangement**

Values shown are nominal and not to be used for installation purposes. See product specification for installation requirements.
