

WIREWORKS ANTI-CLIMB®

HIGH SECURITY WELDED WIRE MESH FENCE

WireWorks Anti-Climb is a unique perimeter security system that *maintains a guarded display of visual screening* balancing the need to delay and deter an attack. WireWorks Anti-Climb combines a mesh that *discourages cutting and climbing* with framework that *can support a total security platform*.

DESIGN INTEGRATION

The WireWorks Anti-Climb framework can be used as a raceway for wiring, conduits, and/or security cabling required around the perimeter of a project. This integrated design eliminates the need for costly trenching and boring becoming a value added solution for perimeter security upgrades.

When installing these security elements use WireWorks as a platform:

- ▶ **Communication & Video Cables**
- ▶ **Intrusion Detection / Fiber Optic Cables**
- ▶ **Access Control Wiring**
- ▶ **Conduits**
- ▶ **Anti-Ram Cabling (Stalwart)**

PRIMARY APPLICATIONS

- ▶ **Petroleum & Chemical Facilities**
- ▶ **Power Plants & Substations**
- ▶ **Manufacturing Plants**
- ▶ **Military Sites**
- ▶ **Government Facilities**
- ▶ **Airports**
- ▶ **Railway**

HIGH SECURITY WELDED WIRE STEEL FENCE

3" x .5" x 10.5ga (8'), 3" x .5" x 8ga (10') WIRE MESH PANELS | 2" x 2" x 11ga RAILS | 3" x 2.75" x 12ga (8'), 4" x 2.75" x 12ga (10') I-BEAM POSTS

ANTI-CLIMB / ANTI-CUT DESIGN

The tightly fabricated structure of the welded wire mesh used for WireWorks Anti-Climb is specifically designed to give potential intruders an elevated level of deterrence. The tight spacing of the wire mesh makes getting a hand and foothold for scaling virtually impossible. The minimal spacing between each welded wire strand makes it difficult to cut yet still provides increased visibility for a secure perimeter.

PERMACOAT™ PROTECTIVE FINISH

Ameristar's production facilities use a state-of-the-art polyester powder coating system that provides a durable and scratch resistant finish. WireWorks Anti-Climb is protected with Ameristar's PermaCoat multi-layer coating process. The combination of these layers delivers a system that increases weathering resistance and product durability. The Ameristar coating system results in finished surfaces with unmatched performance.

-  "No-Mar" Polyester Color Coat
-  Epoxy Powder Coat
-  Zinc Phosphate
-  Galvanized Steel

10 YEAR LIMITED WARRANTY

The family of WireWorks welded steel fencing products are manufactured from the highest quality materials by skilled craftsmen to meet the highest standards of workmanship in the industry. This is why Ameristar proudly offers a limited 10 year warranty.

MEETS BUY AMERICAN

Ameristar is committed to providing products that meet the Buy American Act. We have made significant investments in technology, process improvement, and employee training in an effort to secure American jobs and combat inferior products.
